PREFACE

सत्यमेव जयते

I am glad to share Quarterly Report of the accounts for the financial year 2017-18. This office has started publishing Quarterly Report to present the integrated and comprehensive picture of the Ministry's finances after closure of the 1st quarter of the financial year 2017-18 and also expenditure analysis of the previous financial years.

It is our constant endeavour to upgrade the utility and value of the Publication. I trust the information contained in this document would be found useful and relevant.

(Arun Goel)
Addl. Secretary & Financial Advisor
Ministry of Labour & Employment

Table of Contents

1. Introduction

Ministry of Labour & Employment is one of the oldest Ministries of the Government of India. The main objective of this Ministry is to protect the interests of workers, poor and deprived sections of the society and to develop and coordinate vocational skill training and employment services. Government is also trying to pay attention to promotion of welfare and providing social security to the labour force both in organized and unorganized sectors, in tandem with the process of liberalization. These objectives are sought to be achieved through enactment and implementation of various labour laws, which regulate the terms and conditions of service and employment of workers. The State Governments are also competent to enact legislations, as labour is a subject in the concurrent list under the Constitution of India.

The thrust areas of the ministry are:-

- Labour Policy and legislation
- Safety, health and welfare of labour
- Social security of labour
- Policy relating to special target groups such as women and child labour
- Industrial relations and enforcement of labour laws in the Central sphere
- Adjudication of industrial disputes through Central Government Industrial Tribunals cum Labour Courts and National Industrial Tribunals
- Workers' Education
- Labour and Employment Statistics

VISION

Decent working conditions and improved quality of life of workers, ensuring India without child labour in hazardous sectors and enhancing employability on a sustainable basis.

MISSION

Formulating and Implementing Policies/Programmes/Schemes/ Projects for Providing Social Security and Welfare, Regulating Conditions of Work, Occupational Health and Safety of Workers, Eliminating Child Labour from Hazardous Occupations and Processes, Promoting Harmonious Industrial Relations, Ensuring Enforcement of Labour Laws and Promoting Skill Development and Employment Services.

4. Public Financial Management System

Initially Public Financial Management System (PFMS) started as a Plan scheme named CPSMS of the Planning Commission in 2008-09 as a pilot in four States of Madhya Pradesh, Bihar, Punjab and Mizoram for four Flagship schemes e.g. MGNREGS, NRHM, SSA and PMGSY. In December, 2013 the Union Cabinet approved the national roll out of PFMS for all States.

The mandate given to PFMS by Cabinet decision is to provide:-

- A financial management platform for all plan schemes, a database of all recipient agencies, integration with core banking solution of banks handling plan funds, integration with State Treasuries and efficient and effective tracking of fund flow to the lowest level of implementation for plan scheme of the Government.

- To provide information across all plan schemes/ implementation agencies in the country on fund utilization leading to better monitoring, review and decision support system to enhance public accountability in the implementation of plan schemes.

- To result in effectiveness and economy in Public Finance Management through better cash management for Government transparency in public expenditure and real-time information on resource availability and utilization across schemes. The roll-out will also result in improved programme administration and management, reduction of float in the system, direct payment to beneficiaries and greater transparency and accountability in the use of public funds.

Expenditure management and fund utilisation through PFMS (EAT) module: After completion of registration process, the Agencies can login to PFMS portal and can create Maker and Checker type users to use Expenditure-Advance-Transfer modules (EAT module) for transferring funds or advances to lower level Agencies and e-payments to vendors, employees and beneficiaries for financial MIS. This is an extremely important functional module of PFMS for monitoring the ultimate utilisation of funds.

In respect of Ministry of Labour & Employment, PFMS is implemented in the Ministry and payments are routed through PFMS portal. At present 15 Schemes of the Ministry are covered by PFMS. Some of these schemes are also on board in DBT.

5. Direct Benefit Transfer

The office of the Controller General of Accounts (CGA), Department of Expenditure, and Ministry of Finance has developed a fully secured Government DBT for direct credit of dues from the Government of India into the account of beneficiaries. They have issued a guideline for payment directly to beneficiaries' accounts from Central Ministries/ Departments vide their letter No.F.No.10(5)Misc/TA/2012-526, dated 19.02.2013 which is mentioned below:-

A. Process at Program Divisions (PDs):

6. National Pension System

The National Pension System (NPS) is a defined-contribution-based pension system launched by the Government of India with effect from 1 January 2004. As a first step towards instituting pension reforms, the Government of India moved from a defined-benefit pension to a defined-contribution-based pension system. Apart from offering a wide gamut of investment options to employees, this scheme helps the Government of India to reduce its pension liabilities. Unlike existing pension fund of the Government of India that offered assured benefits, NPS has defined contribution and individuals can decide where to invest their money.

The scheme is structured into two tiers:-

Tier-I account: This NPS account does not allow premature withdrawal and is available to all citizens from 1 May 2009.

Tier-II account: This NPS account permits withdrawal for exceptional reasons only, prior to the retirement age.

The details at the end of financial year 2016-2017 of PAO/CDDO/DDO & Subscribers registered with NPS in the Ministry of Labour & Employment are as under:-

1	No. of PAO/CDDO registered	75
2	No. of DDO registered	177
3	No. of Subscribers registered	1210
4	No. of SCF uploads	8177
5	Amount of SCF which have got matched & Booked	5.27

Since 1 April 2008, the pension contributions of Central Government employees covered by the National Pension System (NPS) are being invested by professional Pension Fund Managers in line with investment guidelines of government applicable to non-Government Provident Funds. A majority of state governments have also shifted to the defined contribution based National Pension System from varying dates.

11. Reserve Funds (Labour Welfare)

Ministry of Labour & Employment maintains five welfare funds namely (1) Beedi workers, (2) Cine worker, (3) Mica Mines workers, (4) Iron Ore, Manganese ore and Chrome ore mines workers and (5) Lime stone and Dolomite Mines labour.

Out of five welfare funds, four cesses on Mica, Cine, LSDM and IMC have been abolished by way of repeal of the covering enactment/provision as specified in the fifteenth schedule of the Finance Act, 2016 by the Ministry of Finance wef. 01.04.2016. The balance accumulated of above mentioned cesses has been transferred to CFI. At present, the only cess on Beedi Welfare Fund exists and closing balance as on 31.03.2017 is -210.98 crore. The adverse balance under the Beedi worker welfare fund is due to excess expenditure towards opening of new hospitals, dispensary and introduction of Revised Integrated Housing scheme, 2005 for the welfare of Beedi Workers in comparison to collection of cess receipts.
